## Safety Awards To Be Selected For 22nd Period

Prizes Go On Display At Portals This Week; 18 Items Included

The individual safety awards for the 22nd Union Carbide Corporation Safety Period, completed in the Y-12 Plant Area on June 3, have been selected and will go on display sometime this week. There have been 18 excellent articles selected as awards for the period, during which 5,394,077 man-hours, as officially recorded, were worked without a disabling injury to set a new record for the Y-12 Plant and all Union Carbide Nuclear Company installations. The items selected are valued at \$10 each, wholesale price, in accordance with the safety award policy of UCNC.

The record-breaking 22nd UCC Safety Period ran from December 17, 1957 through June 3, 1958, inclusive, covering a period of 169 days.

### Best Offered Since 1957

The award items for this period are the best since those offered in 1957 when 3,132,039 man-hours of accident-free operations were completed. It is the sincere hope of all Y-12 employees that the 23rd Safety Period, now underway, will again exceed the 5,000,000 man-hours worked without a disabling injury mark and continue on to the unsurpassed 10,000,000 man-hour goal.

The safety award selection cards will be distributed to all eligible UCNC employees in the Y-12 Plant Area this week and the articles will be displayed at the Cafeteria and rotated at the portals until the deadline for selection. Y-12ers are urged to examine the items as soon as possible and return the selection cards quickly so that the articles may be ordered and distributed.

### Articles Are Varied

The 18 articles selected for the 22nd Safety Period include a General Electric portable mixer; Cosco card table, 35 inches square and 27 inches high; Dominion combination sandwich toaster and waffle iron; Black and Decker 1/4" electric utility drill; Oster electric knife and scissor sharpener; General Electric spray, steam and dry iron; True Temper six-foot, eight-ounce spinning and casting rod; Mirro-Matic automatic chrome finish, eight-cup percolator; a 32-piece set of Wallace stainless steel flatware; Coleman gasoline lantern, two mantle; Zebco spinning reel; four cubic foot wheelbarrow, ball bearing, 10-inch diameter, rubber tired wheel; men's self-winding, waterproof Timex watch; ladies waterproof Timex watch; a Coleman gasoline camp stove, two

## State Rescue Squads To Meet Here July 12

Y-12er Arthur Ogden Chief Of Ridge Group

Latest techniques in Civil Defense heavy rescue squad work for both men and women will be demonstrated at a meeting of the Tennessee Association of Rescue Squads in Oak Ridge on Saturday, July 12, according to Arthur F. Ogden, a Y-12er and chief of the heavy rescue squad for Oak Ridge and Anderson County. Ogden is an assistant general foreman in the Buildings and Grounds Department and has been associated with Civil Defense work for several years. The state organization is known as the TARS, for the initials in the title.

### 300 Expected To Attend

The women's group of heavy rescue workers in Oak Ridge is headed by Irene Gunter and has 23 members. There are 31 men in Ogden's group, including many Y-12ers. The men's squad also serves as the Anderson County Emergency Rescue Squad.

The state meeting is expected to draw about 300 men and women from 15 cities. Among the delegations will be groups from Eliza-

## Son Of Y-12 Man Wins Skating Meet

Jack Greer And Partner Are Southern Champs

Jack Greer, son of Y-12 Fire Prevention Department Capt. E. F. Greer, and his partner, Miss Linda Jo Baker, of Atlanta, Ga., won the Southern Regional Senior Roller Skating Dance championship in Memphis, Tenn., early in June. With this impressive victory under their belts, young Greer and his partner will be gunning for a national crown in Cleveland, Ohio, at the nationwide meet to be held July 27 through August 4. Greer, from Knoxville, is 18 years old and a junior in the College of Liberal Arts at the University of Tennessee, while his youthful partner is 15 years of age.

Winning first place in the Tri-State meet in the Southern Division enabled Greer and Miss Baker to compete in the regional contest. The recent victory is not the first such achievement by Jack Greer in recent years. He and various partners have won a number of championships in the numerous flights of roller skating. Greer has added almost 25 medals to his collection of trophies and

## Y-12er Named JC President At Kingston

D. C. Martin, Jr., Electrical Maintenance Department, was installed as president of the Kingston Jaycees at the Installation Banquet of the Kingston Jaycees and Jayettes held at Davis Diner on June 28. Fred Waggoner, vice president of the Tennessee Jaycees, performed the installation ceremonies of Martin and the other incoming officers.

Dr. Sam H. Horner, Jr., of Cleveland, Tenn., who is the retiring president of the Tennessee Jaycees, was guest speaker for the occasion. Horner spoke on the value of a Jaycee organization in the building of the young leaders in a community.

The 55 Jaycees, Jayettes and invited guests who attended the affair witnessed the presentation of various awards for outstanding achievement following the installation rites. The coveted "Key Man" Award was presented to the retiring State Director and incoming President D. C. Martin, Jr., for his outstanding interest and support of the Kingston Jaycees during the past year.

Following the banquet the group enjoyed an evening of dancing to the music of Bill Pollock and his orchestra.

Mr. and Mrs. Muhittin S Uckan

Miss Elizabeth Hope Williams, daughter of Daisy Ward, of the Y-12 Production Analysis Department, and Mr. Ward, was married at 7 o'clock Monday night, June 23, to Muhittin Sami Uckan, of 302 Ellery Street, New York. The ceremony was conducted at the home of the bride, 208 West Fairview Road, Oak Ridge, with the Honorable J. D. Varnell, County Judge, officiating. The groom is the son of Mrs. Fahriye Uckan and the late Mr. Muhittin Uckan of Ankara, Turkey.

The bride chose a dress of white satin, cowl collared neckline, princess style and ballerina length with a cloche of feathers and rhinestones by Dior on her head. The only jewelry that she wore was a gold cross, a gift of the groom. She carried a cascade arrangement of yellow roses.

Miss Karen Calvert, Oak Ridge, was maid of honor and chose a ballerina length, princess style, turquoise and aqua taffeta gown. She wore white short mitts with matching shoes and carried yellow rosebuds. Other attendants were Mrs. Wanda Hawn, Miss Pat Baer and Miss Jody Streuae. Mrs. John Collins played various wedding selections on the piano before an altar decorated with majestic daisies, white glads, mums and carnations. The candelabra held tall white tapers.

The best man was O. C. Calvert of Oak Ridge who was the groom's only attendant. The reception followed the wedding at the home of the bride. The couple will reside at 302 Ellery Street, New York, following a short wedding trip.

The bride graduated from Oak Ridge High School where she was a member of the French Club, National Thespian Society, Rainbow for Girls, and Robertsville Baptist Church. She also attended the University of Alabama. The groom graduated from R.C.A. Institute of New York and from the New York Technical Institute. He also attended the University of Alabama.

# Gambill-Hamby Top Oak Ridge Golf Loop Play

Regain First Spot With Whitewash Win; Kahley-Evans Second

Ed Gambill and Newt Hamby bounded back into the lead position in the Oak Ridge Golf League for Y-12ers last week by sweeping a six-point whitewash win from Jay Holzknicht and Paddy Peckman, displacing Jack McLendon and Bill Mee who were whitewashed by the rampaging duo of Karl Kahley and George Evans. The Kahley-Evans team moved from a tie for third to undisputed possession of second place. Speas-Cabe moved up in the standings by posting a five-point win over Youngblood-Gilcrease. Defending champions, Emlet-Hines dropped from a tie for second to fifth place as a result of a four-point loss to Whitehorn-Brown. Boyd-Oliphant trimmed Wallace-Patterson for five points and four-point wins were posted by Anderson-Nichols over Underwood-Shatley, Dehoney-Buckminster over Stroud-Tiller, Ratjen-Snyder over Davis-Arrowood and Oxford-Collins over Taylor-Lockhart. Mitchel-Tibbatts posted a five-point victory over Orrison-Thomson, as did Pletz-Roberts over True-Kennedy. Bartholomew-Smith whitewashed Hopkins-Belvin for a six-point win to round out play for the week.

Art Hines posted the low scratch score, despite the loss of his team, with a 37. Hines was followed in scratch scoring by Sewell Brown with a 42 and H. E. Buckminster who shot a 44. Brown and Buckminster tied for low handicap with 31 strokes each.

will be competing for the highest award in roller skate dancing in the Cleveland meet—the coveted "Gold Medal Dance Award."

One of the most difficult sports to master, roller skate dancing and figure skating are complex to execute as are the rules and regulations governing the pastime. The various dance steps and figures must be done with utmost precision and to the beat of music. Skaters must follow strict procedures in these routines as a slight variation can be costly in the accumulated scores.

The entire Greer family are skating enthusiasts. Captain Greer was a talented skater in his younger days and Jack began his career on the rink at an early age. Jack began serious skating at the Chilhowee Park rink in Knoxville in 1953. He began winning titles in 1954 when he and one of his first partners finished 18th in skate dancing in the Southern Regionals at Fort Lauderdale, Fla. In 1956, Jack and Miss Fanny Jo Payne rolled to first place honors in the Southern Regional intermediate dance skating event.

THE C SHIFT TEAM IN THE Y-12 SOFTBALL LEAGUE although riding in the cellar at the present time have given the other league teams a battle all the way. Front row from left are Manager T. A. Picca, C. # Reactors Champs In First Round Of Softball Play

Victors Trounce Engineers To Gain Crown; Birds Second

Although outhit, the Reactors came through with victory No. 11 to capture the first half championship in the Y-12 Softball League last week as they blasted the Engineers by the score of 13 to 6. The Whiz Kids amassed 10 hits to clobber the C Shifters 17 to 3. The C Shift team fell victim to the Cubs, 13 to 5, in the other game played during the week.

Reactor pitcher Law allowed the Engineers nine hits but fanned five in his 13 to 6 win. Engineer pitcher Spradlin allowed only four hits and posted eight strikeouts, but was plagued by seven errors and six walks in his defeat.

The Whiz Kids opened up with a five run first inning and a four run second frame to jump into an early lead over the C Shift team. Ernie Collins slammed two homers in three times at bat for the victorious Kids.

Cubs pitcher Burnette allowed the C Shift team only five hits and as many runs as he coasted along behind the 15 hits that his teammates amassed for 13 runs. Thompson homered for the losers while Myers hit one out of the park and socked a triple for the winning Cubs.

Line scores and league standing follows:

**WHEN AMERICAN LEGIONNAIRES AND THEIR FUN-MAKING** Forty and Eight Society get together, there usually plenty of goings on. The Legion and 40 & 8 meets July 13-15 in Knoxville and among the lighter moments expected might be a duplication of the scene above when Arthur "Shorty" Rogers, Laboratory Operations, right; his wife, Gladys, a former Y-12er whom he married in 1945; and "Dixie" Miller, of Lenoir City, then head of the state 40 & 8 group, engaged in a little galloping dominoes in front of a Knoxville hotel during the 1954 Legion shindig.

The quality of the articles gives Y-12ers an opportunity to see what might be received if continuous carefulness and alertness is applied to safe working habits. Of course, the awards offered are not the only gains received from working safely, as the amount of time, anguish and money lost because of a disabling injury must also be taken into consideration.

So, for safety's sake, let's continue the present safety period to another record-breaking mark of more than 5,000,000 man-hours worked without a disabling injury. Let's keep the green lights of safety flashing at the portals!
